Design Your Own Class

We try to offer a variety of fun and interesting classes on different days and at different times, but we know that sometimes it just doesn't work out for you. Maybe you have your heart set on a particular class but the timing's not right. Maybe you want to learn a special technique that isn't being offered at this time. We have the perfect solution to the problem: design your own class!

We will teach you how to knit what you want to learn to knit but at a time that works for both of us. Just call or come in to set up a time. It's a great way to get your friends or co-workers knitting with you too!

We can even arrange evening classes for groups of five or more if that fits your schedule better. The cost for these classes is \$10.00 per person per session.

For Sale

Alas, the rumors are true. Knits-n-Knacks is for sale. Due to increasing family commitments, I am no longer able to do both. We will, however, be open for business as usual until it sells, so let's get busy making all those gifts for everyone on your list!

UFO DAY

I've been hearing from a lot of you about all the unfinished projects you have going that need to be finished up. Me too! This calls for another UFO (unfinished objects) day!

Come on in and join us for some fun and conversation as we finish up those projects together. Bring a finger food to share and we'll have a potluck, too! Drinks will be provided.

We will be meeting here at Knits-n-Knacks on Saturday, October 27, from 10:00-4:00. Come on in for fun and frolic.

Open House

Our 4th annual Holiday Open House will be held on Saturday, November 17, 2007 from 10:00-4:00.

There will be lots of sales throughout the store, drawings, treasure hunts, and of course lots of wonderful goodies to eat! It wouldn't be the holidays without the goodies!

The holidays are closer than you think so come kick off your holiday shopping with us. Hope to see you here!

New Stuff!

I'm getting buried in boxes here! There's new stuff arriving daily! There are new books and patterns from Ann Norling, Knitting Pure & Simple, Fiber Trends, Iknitiative, Black Purl, and Noni.

There are new hand dyed sock yarns from Claudia, Ranco from Chile, and Tiny Toes from Interlacements. Add that to the Bamboo, Aloe Vera, striping, patterning, (and soon to arrive, corn!) sock yarns and, WOW, sock heaven!

There are lots more needles and notions coming from Bryson and Skacel, including more Addi Lace needles. If you haven't tried them yet, you're in for a real treat!

There are gorgeous lace weights, Lacy Lamb from Jade Sapphire and Claudia hand dyed 100% silk that are both amazingly soft!

Many more beautiful yarns are arriving from all over the world as well as lots of restocks of our old friends, Noro Kureyon, Galway, Encore, Dreambaby, Cascade 220, Pastaza, Smooth, and more! Soon, they will be joined by Punta del Este yarns from South America as well as more Sirdar, Noro, Elsebeth Lavold, Ella Rae, Berroco and Eco yarn from Cascade and more.

So much yarn, so little time! Come see for yourself. Remember, you may fondle the yarn, but if you drool on it, you must buy it!

Come Sit-n-Knit (or crochet, or...)

Come on in and sit and knit with us. Enjoy a cup of coffee and work on a project anytime. Join the knitters on Wednesday afternoons from 3:00-6:00 for a good time of knitting fun. You're always welcome here at Knits-n-Knacks. Feel free to bring your friends and make some new friends too!

Clearance Hall

Have you checked out our Clearance Hall yet? Our back hallway has lots of goodies marked down considerably in price. There are gift items, older issues of knitting and crocheting magazines and different kinds of yarns.

When I'm in the mood, I toss some more cool stuff back there. I never know what might be next! It's getting pretty full back there!

Store Policies

- Space for classes is limited. Please register as soon as possible. Out of consideration for our teachers, your non-refundable payment is due when you register. You can register at the store or by phone.
- Class fees do not include supplies. Supplies are available through Knits-n-Knacks. While you are welcome to bring your own tools (needles, hooks, etc.) we do ask that you purchase the yarn required for your class at Knits-n-Knacks. Please arrive before the scheduled class time if planning to purchase materials at that time.
- If there are not enough students registered prior to the first day of class, the class will be cancelled and a full refund will be given.
- If you miss a scheduled class, it will be up to the teacher as to whether or not a make-up class will be scheduled.
- If additional class sessions are required to complete the project, an additional \$10.00 per session will be charged.
- A 50% nonrefundable deposit will be required for special orders.
- Needles may be exchanged for needles only, if in the original package, with receipt, and within one week of purchase
- All yarn returns must be accompanied by a receipt and returned within 3 months of purchase. As you know, dye lots change and as a result, we've been ending up with a lot of odd balls (yarn, I mean). No cat hair or cigarette smoke, please! Allergies, you know.
- Due to the rising costs of yarns, needles, shipping, etc. we have discontinued our punch cards in order to keep our prices as low as possible. We will still honor any **FULL** punch cards that you may have or that we are keeping on file for you here at the store.
- We regret that such a long list of policies has become necessary, but we hope you will bear with us and come knit up some fun!
